

City of Bellevue-Congratulations Letter

Subject: Congratulations on the I-Kuan Tao Chong De School Research Achievements Conference

Dear President,

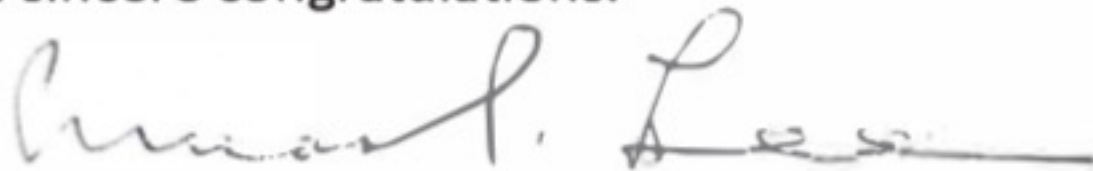

On behalf of the City of Bellevue, I extend my warmest congratulations on the **I-Kuan Tao Chong De School Research Achievements Conference**, commemorating the School's tenth year as a Ministry of Education-approved religious institute and the completion of the **Grand Auditorium of the White Water Saint**.

Your program-featuring alumni certificate conferment, musical offerings, and a keynote by Prof. Sébastien Billioud (Université Paris Cité; UFR LCAO; IFRAE; Senior Member, Institute Universitaire de France)---beautifully reflects the School's dedication to rigorous scholarship, cultural exchange, and community service.

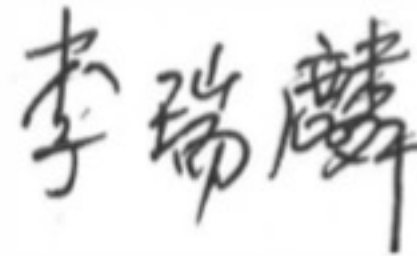

CONRAD LEE is proud to celebrate the contributions of I-Kuan Tao Chong De School and IKT FYCD Cultural & Educational Association Washington. Your leadership continues to inspire collaboration, inclusivity, and the pursuit of wisdom for the benefit of all.

Please accept our heartfelt best wishes for a successful conference and for the continued growth of your educational mission.

With sincere congratulations.
